

Bunking with the Butterflies

Experience an unforgettable slumber party at the Peggy Notebaert Nature Museum! Spend a fun-filled night participating in nature-inspired games and crafts, exploring the museum, getting up close with live animals and surrounded by the wonder of the *Judy Istock Butterfly Haven*.

Nature Museum overnights are a shared learning experience facilitated by museum educators. A snack will be provided the night of your arrival, and a continental breakfast will be provided the next morning. Scouts may bring non-scouting friends.
